

Heavy Metal Plus™

for healing the body naturally!

The **HM Plus** patch is a **NON DRUG** product that was developed as a complementary therapy program that is accepted by Doctors and Practitioners as an aid to support and restore the body's energetic function. This product is safe for children of all ages, including infants.

Made in the U.S.A.

Heavy metals, such as mercury, lead and aluminum, accumulate in the body over time and are suspected of triggering dangerous conditions like heart disease, thyroid problems, dementia, neurological conditions, autism, infertility and birth defects. Your liver, kidneys and gastrointestinal system are designed to remove toxins, but pollution, pesticides and other harmful chemicals can eventually overwhelm the body as heavy metals tend to collect in the fatty tissues of the body, making them very difficult to remove. The HM patch is designed to accelerate the natural detox process of children of all ages. Please hydrate your body with pure water, which is a natural body cleanser. **Use the HM patch when experiencing: Sluggish, Feeling Tired and Discomfort.**

These patches have been tested extensively and proven by many that have experienced them to promote improved healing.

The patches are made to rapidly promote and activate the necessary resources to optimize body and brain function, restore missing cell communication, and accelerate the body's natural ability to heal itself.

It is natural to feel some unpleasantness when you detox your body. Most people are bombarded with toxins and pollutants on a daily basis. Add in diet, medications, and recreational activities and it's no wonder you feel gross when you detox. All those toxins need to go somewhere. And your body wants them out! When detoxing, you may also experience headaches, fatigue, mood swings, stomach issues and sweating.

Proper Placement

Place the HM patch on the left shoulder. Your body accepts energy far better than the right side. Please follow directions that are stated below for best results.

The HM Plus patch™

Instructions: The HM Plus patch is to be applied to your body, (left shoulder).

It was developed to detoxify. Made to last for 3 days, then discard.

Apply another patch and wear it for additional 3 days. Consider cutting out specific foods that are not healthy for you. A good way to start is to cut out dairy foods, grains with gluten, meat and shellfish.

Repeat this procedure for 30 days to restore optimal organ function.

If needed, continue with procedure for an additional 60 days.
