

## "Olive Leaf Extract"

*for healing the body naturally!*

The O.L.E.™ patch "Olive Leaf Extract" is a **NON DRUG** patch that was developed as a complementary therapy program that is accepted by Doctors and Practitioners as an aid to support and restore the body's energetic function.

*Made in the U.S.A.*

In the United States, about 50% up to 80% of adults had experienced oral herpes. Accordingly, more than 90% already carries the herpes virus when they reached by 50 years of age. Most cases of oral herpes started when they are children when they received kiss from families or friends who have oral herpes. The app is infused with frequencies of olive leaf extract, Hypericum and Lycine, which are known to "slow down" and retard the growth of the herpes virus, as well as inhibit viral replication.

These Apps have been tested extensively and proven by the many that has experienced them to promote improved healing.

*The patch or 'bio-apps' are made to rapidly promote and activate the necessary resources to optimize body and brain function, restore missing cell communication, and accelerate the body's natural ability to heal itself.*
