

Bio Energy Patch

- ✓ Bio Energy patches are safe for everyone, including children, even people with long term illnesses.
- ✓ Bio Energy patches are made to work with the patient's Central Nervous System.
- ✓ Bio Energy patches are compliant with all natural homeopathic remedies.
- ✓ Bio Energy patches are made with an adhesive approved by the FDA.

Bio Energy Patch Placement Protocol

For most problems, place the Bio Energy patch on the upper left side of your body for best results. Energy travels better through the left side of your body.

For pain and inflammation problems, place the Bio Energy patch on the source of the pain.

Visit us at www.biotechenergypatch.com

You can attach as many as (4) different patches to your body at one time. Current protocol requires at least 3 to 6 months of therapy depending on the problem.
