Get Protection from 5G Emissions

Now Available in Two Different Sizes!

5G Blocker Regular Size –(R)

A Perfect Solution to protect you from harmful RF Radiation in your environment! We have developed this attractive stainless-steel bracelet to be worn on your left wrist that defends against harmful 5G RF radiation. The bracelet is made of a soft eco-friendly silicone material and stainless-steel hardware with (5in1) Embedded Energy Elements: Far Infrared Ray, Negative ion, Neodymium magnet, Tourmaline and three Germanium balls.

This style is made for an adult size and is more for average to large wrist.

5G Blocker

REGULAR BRACELET

Now Available

5G Blocker Slim Size –(SL)

The newest version of our 5G Blocker bracelet has the same technology to protect you from harmful RF Radiation in your environment! It is the same stainless-steel material to be worn on your left wrist that will defend against harmful 5G RF radiation. This style is made for women and young adults. It's made of the same soft eco-friendly silicone material and stainless-steel hardware with (3in1) Embedded Energy Elements: Far Infrared Ray, Neodymium magnet, and three Germanium Spheres.

Technology

Our technology to program process is done by our AFG. (Accelerator Frequency Generator), which is similar to Multi-Wave Oscillator Technology. This programming process supports the theory that by stimulating the body's ability to heal itself naturally using subtle bio frequency from the energy bracelet, your body will maintain better health and mental wellness.

These bracelets are not intended to diagnose, treat, cure or prevent any disease.

The 5G Blocker for slim wrist has (3in1) Elements: Far Infrared Ray, Neodymium magnet, and (3) Germanium Spheres.

The 5G Blocker regular size has (5in1) Earth Elements: Embedded Energy Elements: Far Infrared Ray, Negative ion, Neodymium magnet, Tourmaline and (3) Germanium balls.

Protect yourself and your family with the 5G Blocker Bracelet.
